

The Impact of Stigma on Healthcare for People with SUD

July 25, 2018 | 12:00-1:00pm (PT)

About the webinar

This webinar will examine the stigma of substance use disorders. Dr. Glass will review evidence about how stigma shapes healthcare experiences and treatment seeking, and will discuss practical issues such as why and how to avoid using stigmatizing language.

When: Wednesday, July 25, 2018
12:00-1:00pm (PT), 11:00am-12:00pm (AKT)

Presenter: Joe Glass, PhD, MSW

Cost: Free ([registration required](#))

Technology: This webinar will use the [Zoom](#) platform. Instructions on how to connect will be provided by email when you register.

About the presenter

Joe Glass, PhD, MSW,

is an Assistant Investigator with Kaiser Permanente Washington Health Research Institute, an Affiliate Assistant Professor with the Department of Psychiatry and Behavioral Sciences of the School of Medicine at University of Washington, and a licensed independent clinical social worker. He studies brief interventions in healthcare settings, the stigma of substance use disorders, and health disparities. Dr. Glass also holds a career-development award from the National Institute of Health to study online treatments for substance use disorders in healthcare settings.
