

# Best Practices in Recovery Oriented Systems of Care:

*The Case of Pioneer Human Services in Washington State*

May 30, 2018 | 12:00-1:00pm (PT)

## About the webinar

In this webinar, Dr. Woolworth will share a brief history of Pioneer Human Services (PHS), one of the nation's largest social enterprise organizations, accompanied by a summary of the organization's current service model and the emerging practices that PHS is investing in to address social determinants of health and the criminogenic and clinical risk factors associated with criminal justice recidivism, chronic addiction and homelessness.

## About the presenter

**Steve Woolworth, PhD,** is Vice President of Treatment & Reentry Services at Pioneer Human Services. Pioneer is often cited as a national model in providing a range of services for people overcoming challenges with criminal histories, chemical dependency and mental illness.

Dr. Woolworth is responsible for providing strategic leadership and direction for the Treatment & Reentry division, overseeing residential and outpatient programs in contract with the Federal Bureau of Prisons, U.S. Probation and Pre-Trial Services, the Office of Refugee Resettlement, the Rehabilitation Administration and Children's Administration of the WA Department of Health and Human Services, county governments, and behavioral health and managed care organizations. He has more than two decades of experience working at the intersection of research, policy and practice in the fields of behavioral health, corrections, education, public health, and community-based services for vulnerable populations.
