Conference goals:
The goal of the 19th Annual Fundamentals of Addiction Medicine Conference is to enhance the skills and performance of healthcare professionals who treat patients with substance abuse disorders through new scientific, best practices, treatment, tools and modalities in all areas of addiction medicine.

Designed for:
This conference is designed for physicians, advance practice nurses, physician assistants, medical directors, nursing, nursing leadership and administrators, counselors, social workers and those engaged with patients that have substance abuse disorders.

Accreditation:
Accreditation with Commendation
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Swedish Medical Center and Providence Regional Medical Center Everett. Swedish Medical Center is accredited by the ACCME to provide continuing medical education for physicians.

AMC PRA Category 1 Credits™
Swedish Medical Center designates this live activity for a maximum of 14.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP Credit
Application for CME credits has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Nursing Education Hours
PRMCE is an approved provider for Nursing Education Units. This Program has been approved by the California Board of Registered Nursing (Provider #14753) for 14.5 Units.

American Nurses Credentialing Center
ANCC accepts AMA PRA Category 1 Credit(s)™ from organizations accredited by the ACCME.

American Academy of Physician Assistant
AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit(s)™ from organizations accredited by the ACCME or a recognized state medical society. Physician Assistants may receive a maximum of 14.5 hours of AMA PRA Category 1 Credit(s)™ for completing this course.

Optional Session – Thursday
1:50 - 6:00p PCSS-MAT “Buprenorphine and the Office-Based Treatment for Opioid Use Disorders” – Half & Half Course
   Buprenorphine waiver training is available for physicians interested in seeking their waiver to prescribe buprenorphine in the treatment of opioid use disorders. To obtain the waiver to prescribe, providers are required to take eight hours of training. PCSS-MAT uses the Half-and-Half format.
   Following training, physicians who have successfully completed the course, may apply to the Substance Abuse & Mental Health Services Administration (SAMHSA) to obtain a waiver to prescribe buprenorphine in the office based treatment of opioid use disorders. For more information contact Tracy or Laura in the CME office.
2:05 - 3:00p ASAM Treatment Guidelines: A Good Start & Further Considerations
   Andrew Saxon, MD
3:00 - 3:45p Implementing the Massachusetts Model for OUD Treatment at Harborview
   Judith Tsui, MD MPH
