

Digital Health Services to Address Addiction in Families and Patients: Allies in Recovery and the 5-Actions Program

June 24, 2020 | 12:00-1:00pm (PT)

About the webinar

This webinar will introduce two digital health tools to address addiction in families and patients, both free during the COVID-19 pandemic. An overview of the evidence-base for the programs, how they work, benefits and risks, and ways they can be incorporated into present substance abuse teletherapy treatment will be discussed.

When: Wednesday, June 24th, 2020
12:00-1:00pm (PT), 11:00am-12:00pm (AKT)

Register: https://bit.ly/DHS_June24

Cost: Free

Technology: This webinar will use the [Zoom](#) platform. Instructions on how to connect will be provided by email when you register.

About the presenters

Dominique Simon-Levine, PhD, MPH is an addiction expert with over 25 years of experience evaluating innovative projects addressing addiction. Allies in Recovery was the first comprehensive center in the country to use CRAFT to serve the needs of families dealing with a loved one's SUD. In 2015, the confidential platform, [AlliesinRecovery.net](#), went live, offering a CRAFT-based eLearning program to families everywhere. Also in 2015, the State of Massachusetts contracted Allies in Recovery as a statewide resource, available to all residents.

John Fitzgerald, PhD, LPC, CAS is the CEO of Digital Therapeutics Group LLC, and the developer of the 5-Actions Program™, an online self-treatment digital health tool for addressing all addictions. He also maintains a teletherapy practice working clinically as a Licensed Professional Counselor. He has held various positions in the Department of Psychiatry at Oregon Health & Sciences University since 1997, and presently is Clinical Faculty. He has also been Adjunct Faculty in the Graduate Program of Systems Science at Portland State University since 2007.
