About the presenters

John Fitzgerald, PhD, LPC, CAS

is the Statewide Addiction Treatment Analyst for the Oregon Criminal Justice Commission. He is presently leading all work on Senate Bill 1041 which involves studying, tracking and accounting for all public money spent on addiction treatment in Oregon, and the outcomes achieved for that spend. He also maintains a private practice in Lake Oswego working clinically as a Licensed Professional Counselor. He has held various positions in the Department of Psychiatry at Oregon Health & Sciences University since 1997, and presently is Clinical Faculty. He has also been Adjunct Science at Portland State University since 2007.

Mark Girard, MSW, LCSW

is a Jungian psychoanalyst and clinical social worker. He graduated from the C.G. Jung Institute in Zürich in 1993, and from Simmons College School of Social Work in 1986. He has both worked and been a supervisor in a variety of clinical settings including inpatient psychiatric units, a day treatment program, a university counseling center, a variety of state correctional facilities, hospital emergency departments, and a community mental health center. He has been in private practice for more than 20 years in Oregon.
