

Personal

Beatriz Helena Carlini
Place of Birth, São Paulo, Brazil
Citizenship: U.S.A. and Brazil

Education

B.A. Universidade de São Paulo, São Paulo, Brazil. Major in Social Sciences, 07/1980

PhD Social Psychology, Pontifícia Universidade Católica, São Paulo, Brazil, 8/18/1993. *Dissertation- Drug Prevention and Education Practices: Brazil in the international context.*

MPH Master of Public Health, University of Washington School of Public Health, Department of Health Services, Social and Behavioral Sciences track. 06/2005. *Thesis - The Tobacco Industry's Response to the Commit Trial: An Analysis of Legacy Tobacco Documents*

Post graduate training

Boston University School of Public Health Social and Behavioral Sciences Department, Boston, MA, May 1993-June 1995.

Research focus: Qualitative research methods; impact of immigration on youth's health.

Faculty Positions Held

June 1997- December 2000: **Assistant Professor**, Department of Preventive Medicine University of São Paulo School of Medicine, Brazil.

September 2014- 2022: **Affiliate Associate Professor**, Health Systems and Population Health Department, School of Public Health, University of Washington.

2022- July 2023: **Acting Associate Professor**, Psychiatry and Behavioral Sciences Department, School of Medicine, University of Washington.

August 2023 – present: **Research Associate Professor**, Psychiatry and Behavioral Sciences Department, School of Medicine, University of Washington.

Hospital Positions Held – n/a

Current non-UW Employment – n/a

Honors

1996-1998

Young Investigator Award

FAPESP – Fundação de Amparo à Pesquisa do Estado de São Paulo. (Jovem Pesquisador em Centros Emergentes)

Project - Alcohol- and inhalant-related harms among youth: mortality, psychiatric morbidity, intoxication, accidents, and social problems.

Board Certification – n/a

Current licenses to practice – n/a

Professional Organizations

1991-1993: Vice-President, Brazilian Association on the Studies of Alcohol and Other Drugs (ABEAD- <https://www.abead.com.br/>)

1997- 1999: Vice-President, Brazilian Association on the Studies of Alcohol and Other Drugs (ABEAD- <https://www.abead.com.br/>)

Teaching Responsibilities

1997-1999: Instructor. *Health Services*. Medical School, 3rd semester. Preventive Medicine Department, University of São Paulo School of Medicine.

1998-2001: Advisor. PhD Student Cynthia Gazal Carvalho, Preventive Medicine Department, University of São Paulo School of Medicine.

1999-2000: Advisor. Master of Sciences student Paulina Duarte, University of São Paulo School of Medicine.

2001-2005: Advisor. PhD student Paulina Duarte, University of São Paulo School of Medicine

2018: Faculty Advisor. III Selective 2 faculty advisor evaluation. Student Emilie Florian, MS2, UW School of Medicine.

2019: Doctoral Dissertation Reading Committee. Student Caislin Firth. University of Washington School of Public Health, Epidemiology.

Winter 2020- Fall 2021: HSERV556/FAM559: Tobacco-related Health Disparities & Social Justice, 2 credit course, co-instructor with Dr. Christine Kava, graduate level, UW School of Public Health.

Fall 2021, Spring 2022- Fall 2022: PHI 511: Foundations of Public Health, 3 credit course, co-instructor with Dr. Miruna Petrescu-Prahova. graduate level, UW School of Public Health.

Editorial Responsibilities

2019 - 2025: Consulting Editor, Editorial Board for *Psychology of Addictive Behaviors*.

2021- 2023: Editorial Board Member, [International Journal of Mental Health and Addiction](https://www.internationalejournalofmentalhealthandaddiction.com)

Special National Responsibilities

Special Local Responsibilities

2015-2022: Member of Admission Committee of UW School of Public Health Master of Degree Program, Department of Health Systems and Population Health.

2024: Advisory Committee Member, Washington State Academy of Sciences. Cannabis Research in Washington State: a report for the Washington State Department of Commerce

Clinical Activities n/a

Research Funding

1991-92

PhD scholarship, full tuition

CNPq - Conselho Nacional de Pesquisa (Brazil's National Research Council)

Studies at Social Psychology at Pontifícia Universidade Católica.

Estimated dollar amount US\$ 10,000/year.

1993-95

post-Doctoral scholarship

CNPq - Conselho Nacional de Pesquisa (Brazil's National Research Council)

Studies at Boston University School of Public Health.

Estimated dollar amount US\$ 20,000/ year

2003- 2004

Master's degree, partial tuition

American Legacy Foundation and University of Washington,

School of Public Health, Tobacco Scholarship in Public Health

Master of Public Health studies

\$ 10,000

2005 - 2007

Co-investigator

National Cancer Institute

NIH P30 CA023100-22

Reach and Assist Underserved Smokers through Quitlines.

Principal Investigator: Shu Hong Zhu

2007- 2009

Co- Investigator

PHS 2007-01 - CDC – SBIR

Centers for Disease Control and Prevention

Increasing Quitline Utilization with Multimedia Education, Phases I and II

Principal Investigator: Kelly Carpenter

(est.) US\$ 66,000

2009 – 2011

Co- Investigator

271200900035C-2-0-1

NIDA/SBIR

SBIRT, Screening, Briefly Intervention and Referral to Treatment SBIRT-PC.

Principal Investigator: Susan Stoner

(est.) US\$ 38,000

2009- 2012

Principal Investigator

NIH/NCI

R21 CA141568-02

Re-Engagement in Evidence-Based Quitline Treatment for Low Income Smokers.

US\$ 275,000

2010- 2014

Co- Investigator

NIH/NHLBI

Increasing Post-discharge Follow-up Among Hospitalized Smokers

Principal Investigator: Kim Kitcher

\$31,411

2011-12

Principal Investigator

ADAI Small Grants Program, University of Washington

Using the Internet to Recruit Immigrants with Limited English Proficiency for Tobacco Use and Alcohol-Related Disorders Screening

\$ 30,000

2011- 2013

Co-Investigator

NIH/NCI

R01 CA138936-02

Technology-Enhanced Quitline Services to Prevent Smoking Relapse

Principal Investigator: Anna McDaniel

Est. \$ 87,000

2013-2014

Principal Investigator

Centers for Disease Control and Prevention

3U48DP001911-05S2 (SIP 13-07)

Welcome Back: Evaluating Strategies to Re-Engage Smokers in Quitline Cessation Services

\$149,834

2013 – 2015

Principal Investigator

Washington State Office of the Attorney General

A85413

Chronic Pain Management and Marijuana Use: Science-Based Education in Times of Legalization

\$110,299

2015-2016

Principal Investigator

Pfizer UCSF Smoking Cessation Leadership Center

ID: 16949251

Integrating tobacco cessation interventions in the routine of care of a rehabilitation hospital serving a rural population in Washington State.

\$141,149

2016-2017

Co-Investigator

University of Washington Small Grants Program

ADAI-07-5011-

Consumers' Perspectives on the function of Marijuana in their Lives.

Principal Investigator: Robin Harwick

\$ 30,000 (no FTE)

2019- 2021

Co-investigator

American Cancer Society (ACS)

Tobacco-free Policy Assessment and Development

Principal Investigator: Amy Hagopian

\$20,000 (no FTE)

2019
Principal Investigator
University of Washington
ADAI-1018-8 – Small Grants Program
Exploring the Potential of "Budtenders" as Harm Reduction Agents: A Study among Cannabis Retail Workers in Washington State
\$ 30,000

2021
Principal Investigator
King County Public Health
6607 CDIP
Cannabis Consumer Assessment of Receptivity to Point-of-Sale Education and Safe Storage Intervention
\$39,936

2021
Principal Investigator
Spokane Health District *Agreement*
750-730-1712
Cannabis Consumer Assessment of Receptivity to Point-of-Sale Education and Safe Storage Intervention
\$5,400

2021-2022
Principal Investigator
Health Care Authority K5274-03
Exploring policy solutions to the public health challenges of non-medical high THC products' access and consumption
\$500,000

2020 – 2023
Co-investigator
National Institute on Drug Abuse (NIDA)
1R34DA051051-01A
A brief behavioral intervention for co-users of marijuana (MJ) and tobacco among smokers calling state quitlines
Principal Investigator: Kelly Carpenter
\$41,854

2022 – 2023
Co-Investigator
National Institutes of Health (NIH)
1R21DA056684-01
Using Narratives to Identify Stigma Phenotypes – A Socio-Ecological Approach
Principal Investigator: Annie Chen
\$266,633

2022-2025
Principal Investigator
Washington State Legislature
ESSB 5187
Cannabis and public health impact research
\$ 500,000
