	What key take-away are you leaving with from today's session?	

Purpose Statement:
Bringing together the system (law enforcement, people with substance use disorders, providers and others that care) to improve the intersection with people with substance use disorders and public safety in Yakima County.

Objectives:
- Continue to map + understand system
- Identify solutions in a purposeful + efficient way
- Want to use the momentum from this meeting

Agenda
- Open the meeting with a moment of silence
- Intros + Orientation (30 min)
  - Purpose + context of this group - why we are meeting
    - Rationale for continuing to do this: clarifying goals based on connecting existing programs; people don't know what everyone does - participants use this time to learn what everyone's doing
    - 3 priority areas -
      - 1. Educating people in the system providing services (judges, prosecutors, etc.)
      - 2. Regular service provider meetings with LE across the county for more communication
      - 3. Booking triage system that assesses people's needs
  - Introductions - say your name + what is your role
  - Operating Principles - how do we want to work together - share original Group Agreements list (see slides) and add to it
  - Discuss Divergence / Convergence Framework - Emergence graphic, groan zone = where innovation happens, normalize the frustration and invite to sit in frustration
